
WAIVER FOR BEAR FORM SUBMISSION DEADLINE

Friday, December 01, 2017

I am writing to request a waiver for the October 30, 2017 deadline for BEAR form submission for funding year 2016-2017. This would involve one Form 471 #161045334

FRNs

- 1699101193
- 1699101212
- 1699101220
- 1699104659
- 1699104670
- 1699104701
- 1699104723

Rationale for Waiver

I am new to the District and did not submit these FRNs. I also do not receive notifications regarding them as I was not the initiator of the form.

My first ever involvement with the E-Rate program was last spring to submit Forms 470 and 471. I have never submitted a BEAR form previously. I had no idea the deadline was approaching or passed.

During this fall I have been focused on responding to items for the 2017-2018 as that's to which what I was aware.

As this is the entire funding for our school district a waiver would be greatly appreciated. It would be disappointing for this to affect the Lincoln County School District.

I am prepared to submit everything immediately if the waiver is granted.

Sincerely,

Forrest J. Fisher
Director of Technology
